

Electric Bolt Lock

Model: SUD-801T

1. Low Temperature, safe & Durable.
2. Low Power, Environmental Protection.
3. Long Life with 500000 cycles.
4. MOV Provides Reverse Current Protection.
5. Superior Strength Aluminium Alloy, Solid Stainless Steel Bolt.

► Product Parameter

Model	SUD-801T
Product type	Electric bolt lock
lock size	205*35*40mm
Strike	90*25*2mm
Time delay	Yes
Signal output	NO
Open wire	No
Input voltage	DC12V±10%
Current	60mA
Weight	0.72KG
Applicable	Wooden door , Glass door ,Metal door , Fireproof door
